

Call Details

Title

KBBE.2013.3.3-01: Support for demonstrating the potential of biotechnological applications

Programme

FP7- Cooperation – Food, Agriculture and Fisheries, and Biotechnology

Specific objectives and eligible activities

The demonstration action will introduce a real innovation focus by promoting the exploitation of results and offering seamless support to the industry and in particular SMEs. The demonstration activities will address technical and economic feasibility issues that will accelerate market introduction of the innovative bio-based goods and services. Proposals should nevertheless fit within the "Life sciences, bio-technology and bio-chemistry for sustainable non-food products and processes"-Activity described in the Specific Cooperation Programme.
